ANNAMAYYA'S PURPOSE OF SINGING 32000 SANKEERTANA WAS TO REALIZE THE ULTIMATE TRUTH & CLEANSE THE SOCIETY

His Sankeetanas are very popular now. But do you think that his purpose is served? They are like doctor's prescription for "Bhavaroga" (The disease of attachment). We need to translate his teaching into practice. Money & fame are just the by products. The chief purpose of singing his Sankeetanas should be to contribute towards healthy & harmonious society and connecting the self to the Divine self!

"Nada Bramhotsav 22" is yet another effort to connect souls with Swara. There will be high energy field at Annamayyapuram on account of the musical sounds created with love. Please come, experience the energising Divinity!

Love,
Shobha Raju
