# Renovation

# Appeal

Dear Friends,

“Annamayyapuram” stands as the embodiment of a sacred mission – the dissemination of Annamayya's musical legacy. Currently, renovation of the auditorium, temple, and other essential structures and the construction of abodes for allied deities are going on.

Annamacharya Bhavana Vahini, with its dedicated service over decades through innovative programs, is in need of substantial resources. Your generous contribution is earnestly sought to support this noble cause. May your benevolence find favor with Lord Venkateswara as you contribute to the sacred cause. Donations could be as humble as a rupee and as huge as an ocean, depending on your affordability. Your heart & blessings matter most. Thank you very much if you have already donated, Swami bless you with abundance. 🙏.

Gratefully,

Annamacharya Bhavana Vahini
